

GO MAKE A DIFFERENCE

101 COMMUNITY IDEAS

So you want to change your community but you're not sure where to start? We know there are endless ways to do this, and that each community is different, but if you need a bit of inspiration we hope this helps. As with any community work, we'd encourage you to start by finding out what's already happening in your area and seeing how you can support and complement existing good work. Then see what's missing and ask yourself if you can fill the gap. Your local police officer is well worth talking to in researching the need in your local community.
